Christmas Nativity

Build a Bethlehem stable out of graham cracker squares and frosting! Carefully dip the edges of each graham cracker square into the frosting. Arrange the crackers as shown below, holding them in place for a few moments until the “glue” sets.

Next, cut out the figures on the following pages. (If you’re making more than one Christmas Nativity Set, make color copies of the figures first.) Fold on the dotted lines to make each figure stand. Glue the figures onto poster board to make them sturdier.
